

## Carbon Dioxide

The Marine Range Carbon Dioxide (CO2) fire extinguisher is available in 2kg and 5kg models, and approved to Marine Equipment Directive 2014/90/EU. Both models come complete with the distinctive Jactone colour coded handle and header label. They are LPCB and Kitemark certified to BS EN3, UKCA and CE marked. Suitable for use on Class B and electrical fires. CO2 leaves no residue after use and will not harm machinery or electrical equipment.

- › Quality aluminium cylinders.
- › High quality valves and discharge horn assemblies.
- › Colour coded headers and handles.
